A scatter plot consisting of numerous small, semi-transparent circles in various colors (blue, orange, yellow, green, purple) scattered across a white background. Overlaid on this pattern is the word "could" in a large, bold, dark gray sans-serif font.

his wife

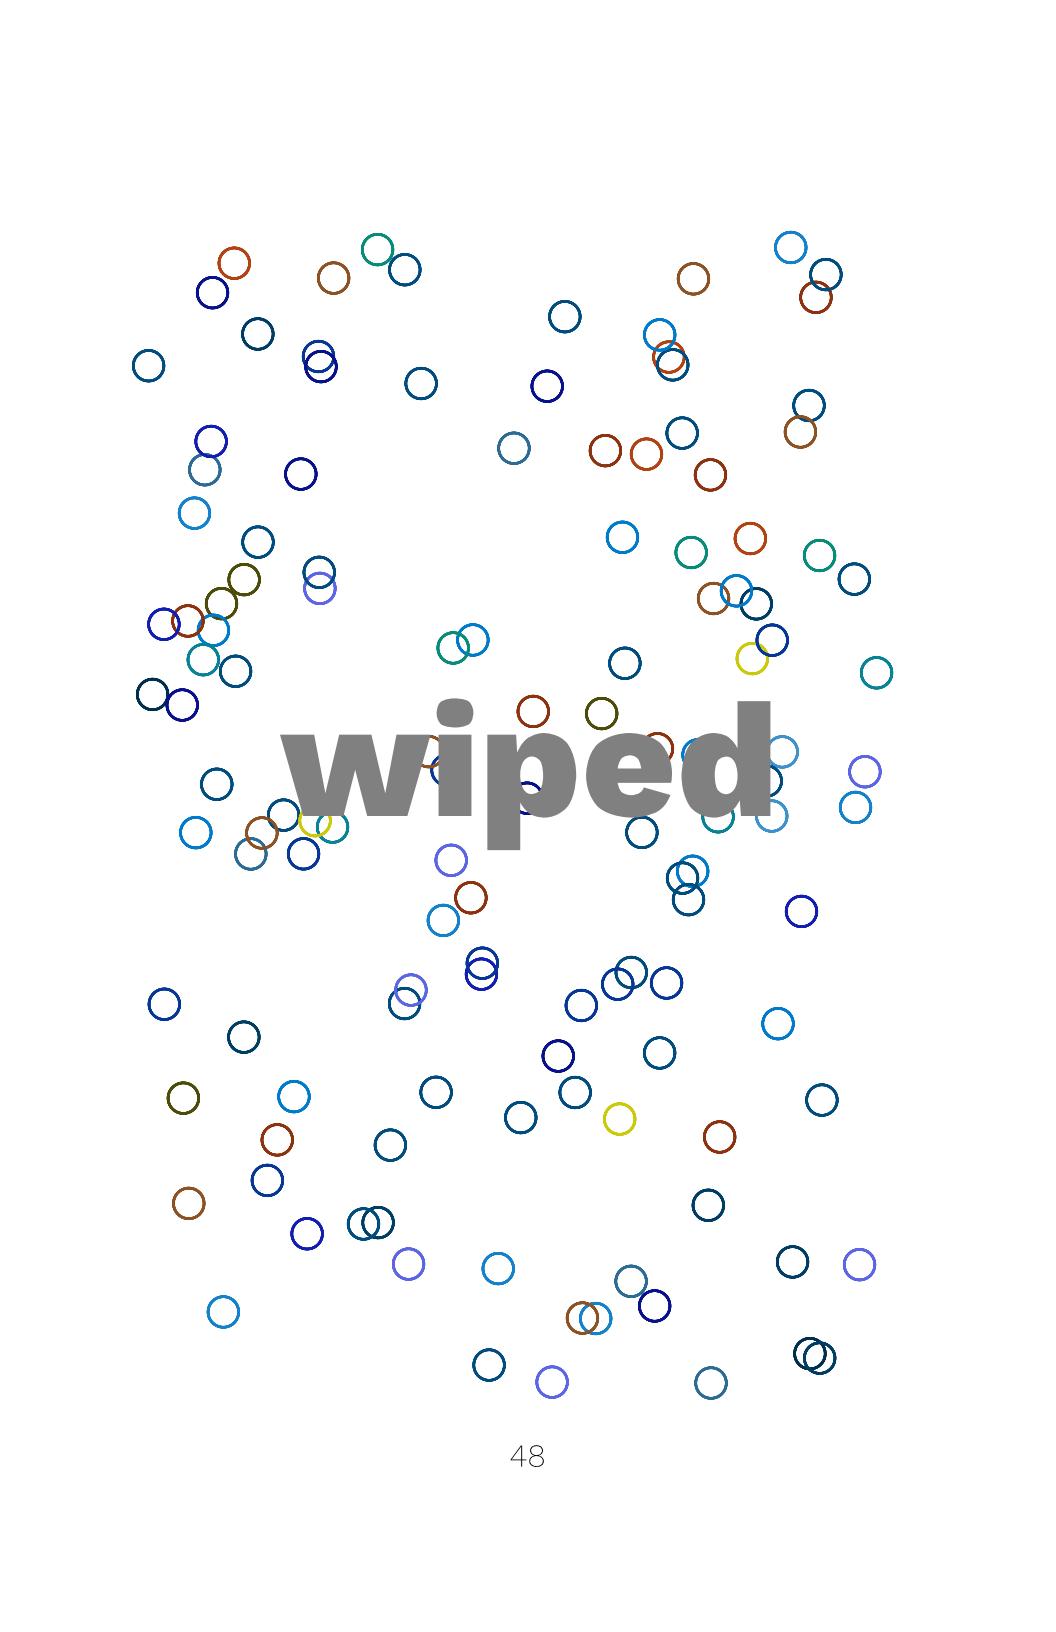

The image shows a scatter plot of colored circles on a white background. The circles are primarily blue, with some orange, teal, and yellow ones interspersed. They are arranged in a pattern that forms the word "eat" in a bold, grey, sans-serif font. The letters are slightly overlapping, with "e" at the top left, "a" in the center, and "t" at the bottom right.

wiped

The image shows a scatter plot of numerous small, semi-transparent circles scattered across the frame. The circles are colored in various shades of blue, orange, yellow, and green. They are distributed in several distinct clusters, with one large cluster centered around the bottom of the word 'wiped'. The background is white, and the overall aesthetic is minimalist and abstract.

wiped

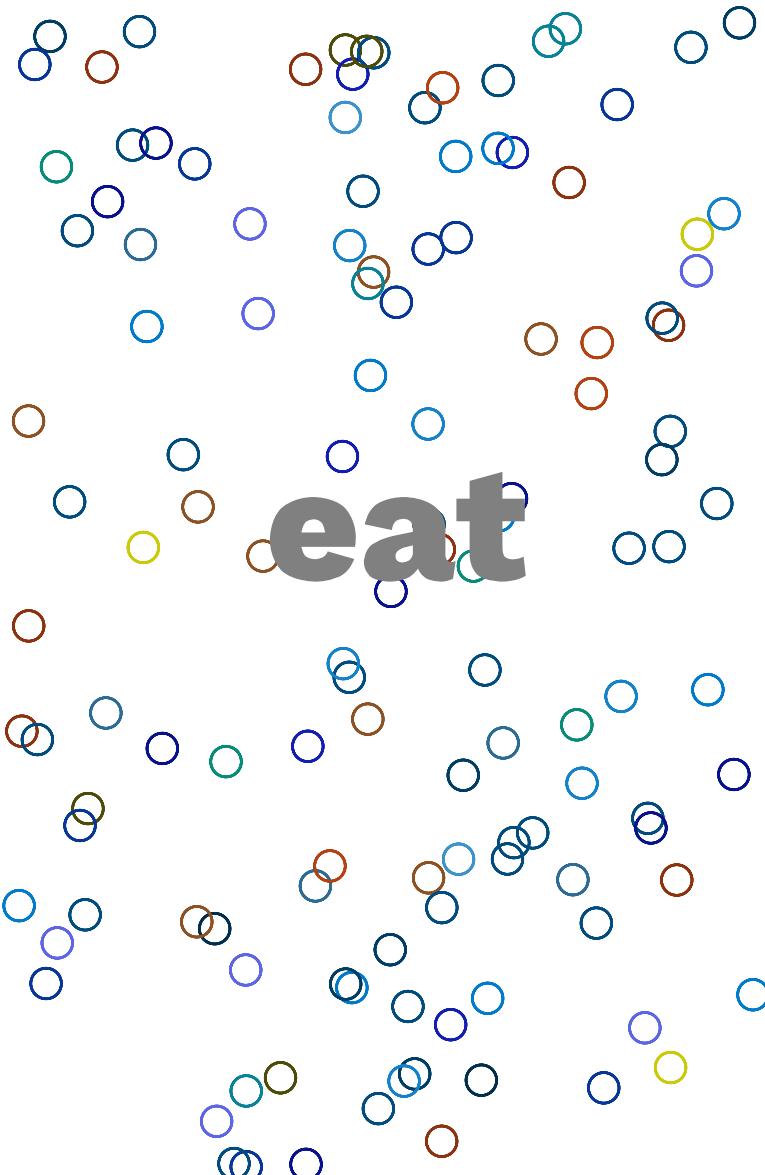

The image shows a scatter plot of numerous small circles of various colors (blue, orange, yellow, green) scattered across a white background. The word "wiped" is overlaid in a large, bold, dark gray sans-serif font, centered over the middle of the circle distribution.

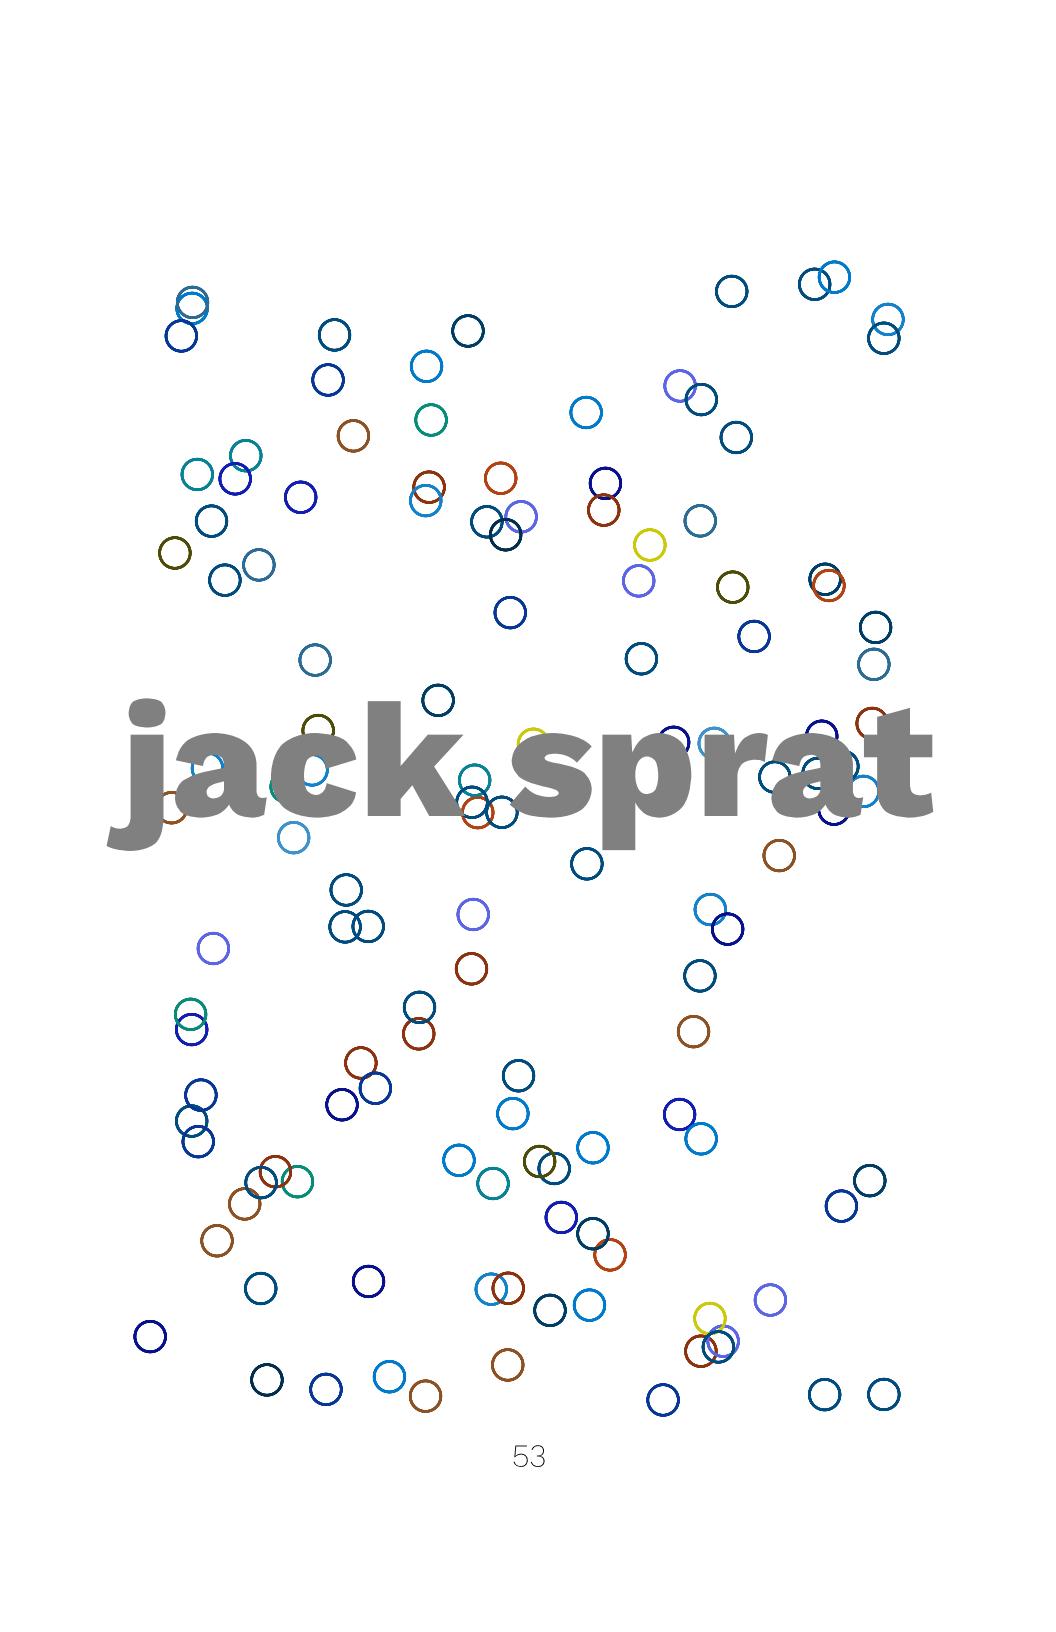

A scatter plot featuring numerous small, semi-transparent circles scattered across the frame. The circles come in several colors: blue, orange, yellow, green, and brown. They are distributed in various patterns, some appearing in pairs or small groups, while others are isolated. The overall effect is a sense of motion or a complex data visualization.
